

BLACKIE NO TOMORROW

When they found me I was lying in bed
With a single shot right to the head
What led me to this place I do not know
My name is Blackie No tomorrow

No tomorrow, No tomorrow
Yes, Yes, Yes, there's no tomorrow
My yesterday just get up and go
You can call on Blackie No Tomorrow

The bed was soaked with my Indian Red
The body's gone, but my soul's undead
My life came and went in sorrow
A N-N-N-N-No tomorrow

No tomorrow, No tomorrow
Yes, yes, yes, there's no tomorrow
My yesterday just get up and go
You can call on Blackie No Tomorrow
Do it!

And you bury the bones - YES!
And you bury the bones - YES!
I'm ridin' on a ghost train with tainted cargo
You wanna go?
Ride a ghost train with tainted cargo
You wanna go?
YES!

The bed was soaked with my Indian Red
The body's gone but my soul's undead
My life came and went in sorrow
A N-N-N-N-No tomorrow

No tomorrow, No tomorrow
Yes, yes, yes, there's no tomorrow
My yesterday just get up and go
You can call on Blackie No Tomorrow
