YOU DON'T KNOW ME

(1st Chorus)
I'm not safe, you don't fuckin' know me
It's not okay when I look that way
I'm not safe, you don't fuckin' know me
I want you to get away

(1st Verse)
I'm so damn tired of your shit
You don't like the dude until he needs a fix
He used to love your pussy now he's done with
He used to love life, and now he wants to quit

(Repeat 1st Chorus)

(2nd Verse)
Yeah,
I'm so damn tired of your crap
I'll show you victims and I'll draw a map
A real fear, I'll whisper right in your ear
Real sexy, I'll even whisper

(2nd Chorus)
I'm not safe, you don't fuckin' know
It's not okay when I blow
I'm not safe, you don't fuckin' know
I want you ta fuckin' go
Yeah
(Repeat 2nd Chorus)
I'm not safe, you don't fuckin' know
It's not okay when I blow
I'm not safe, you don't fuckin' know
I want you ta fuckin go

I said go, I say go-go, I said go
Ow!
